

Dear Teachers,

Thank you for pursuing the teacher led field trip for the Juan Bautista de Anza National Historic Trail. Please use the attached links at your discretion and as they pertain to your school's curriculum. If you are in the Ventura County and Los Angeles areas please use the following e-mail address to reserve the field trip backpacks and traveling posters:
samo_education@nps.gov.

It is recommended that you check-them-out two to three weeks prior to your scheduled field trip. You will need to arrange a time and date to pick them up. Also, please notify the corresponding park as to your field trip arrival and departure date and times. For Rancho Sierra Vista within the National Park please e-mail: samo_education@nps.gov.

For Malibu Creek State Park please e-mail: Karma Graham at info@parks.ca.gov and specifically mention Malibu Creek State Park in the content.

Prior to leaving for your field trip please use the following lessons in your classroom. You may use the Anza Pre and Post Quiz at your discretion.

1. Anza Presentation (under Instruction folder)
2. 1anzalessonplan (under Anza Project 08 Alta California)
3. 2anzalesson.ppt
4. 3anzastudentmap
5. 4anzafieldtrip
6. 5anzaprepostquiz

The sextant lesson is a hands on activity. Please use the files below and the sextant examples. Your students may want to bring their sextants with them on the field trip.

1. Howtomakeasextant (under Sextant)
2. Ranger Sextant Example
3. Sextant Example
4. Sextant Protractor

The Field Trip files pertain to the items that you will find in the backpacks. It is recommended that you print the files as needed. Please double use the "Back Pack Items" file and double check that you have all of the needed items. If anything is missing please notify the Anza trail. The magic windows files need to be printed on transparencies if they are missing from the backpacks.

1. Everything in the field trip folder
